ACCIDENTAL DAMAGE WARRANTY

Using the most advanced manufacturing technologies combined with stringent testing ensures that Falken tyres are of the highest quality.

In order to guarantee that motorists get the most out of their Falken tyres, we are delighted to offer an optional 'Accidental Damage Warranty' with every Falken tyre purchased*.

Once the tyre purchase has been made and the box below has been stamped by your participating Falken dealer, you will have peace of mind in knowing that your Falken tyres will be fully covered against every eventuality.

If any of your Falken tyres are damaged beyond repair, then the defective tyre will be replaced and you will only be charged for the proportion of the tread that you have already used. (See terms and conditions).

Participating Falken dealer stamp.

HOW DO I MAKE A CLAIM?

Should you wish to make a claim, you may do so at any participating Falken Dealer. Your Falken dealer will check that both your warranty and the nature of your claim is valid. You will need to produce your original sales invoice and stamped warranty leaflet (see page to left), and your Falken dealer will then calculate your entitled percentage allowance.

HOW IS MY PERCENTAGE ALLOWANCE CALCULATED?

Your Falken Dealer will measure the remaining legal tread on your tyre. Although tyres are road-legal to 1.6mm, we always recommend replacement above 3mm in order to maintain optimum performance & safety, therefore the last 3.5mm of tread is not counted. The tread will be measured in the centre and on the edges of the tyre to ensure an accurate and consistent reading. If any measurements on the tyre are below 3.5mm, no credit will be given. The decision of the individual participating Falken Dealer is final. By looking at the table below you can see how the amount of remaining legal tread is converted to a percentage claim allowance. This allowance is then redeemed as a percentage discount against the current selling price of your new replacement Falken tyre. The terms of this warranty require that the replacement tyre fitted is the same size as the original and is a Falken tyre. Your old warranty leaflet along with the damaged tyre will be retained by the dealer and a new warranty leaflet will be issued to cover the new tyre.

WHAT IF I WANT TO CHANGE TO ANOTHER BRAND OF TYRE?

You cannot make a claim under this warranty if you wish to switch to another tyre brand. However, if your Falken Dealer believes that your tyre may have failed due to a manufacturing fault rather than due to accidental damage, they will be more than happy to send it back to the manufacturer through the official tyre industry adjudication process. Only after the adjudication process has been completed and a manufacturing fault found, will a percentage allowance be made based on the remaining legal tread on the tyre. You can then use this allowance to affect a discount against any replacement tyre brand you choose to purchase. The manufacturer's decision will be final.

REMAINING USABLE TREAD DEPTH		
	7.5mm	100 %
	7.0mm	90 %
	6.5mm	80 %
	6.0mm	70 %
	5.5mm	60 %
	5.0mm	45 %
	4.5mm	35 %
	4.0mm	20 %
	3.5mm	10 %

ADDITIONAL TERMS AND CONDITIONS

This warranty offer is at the discretion of the participating Falken dealer and does not form part of any manufacturer offer from Falken. Please note that not all Falken dealers may participate in this warranty. This warranty is in addition to your statutory rights and only applies to the original purchasing customer, upon presentation of the original invoice as proof of purchase.

1. At the time of a warranty claim, the tyre must still be legal and have a minimum of 3.5mm tread across the full width of the tyre. If a punctured tyre can be safely repaired the guarantee cannot be invoked. This guarantee does not apply to tyres that have been maliciously damaged.
2. The tyre must have been balanced and had a new valve fitted at the time of purchase.
3. There may be a charge for fitting any tyre replaced under this warranty agreement.
4. This warranty does not cover excessive or uneven wear caused by mechanical defects. We strongly advise that the wheel alignment is checked at the time of purchase and regularly thereafter, as this is the primary cause of excessive or uneven tyre wear. The participating Falken Dealer's decision is final.
5. This warranty only applies to Falken car summer/winter/all-season, van summer /winter/all-season tyres & FK510SUV only. (All other 4x4 patterns are not included in this warranty).
6. A list of participating dealers may be obtained by writing to Micheldever Tyres Services Ltd.
