KUMHO TYRE 

# ACCIDENTAL DAMAGE WARRANTY

Using the most advanced manufacturing technologies available ensures that the Kumho product is of the highest standard. Every Kumho tyre undergoes the most stringent testing to ensure the highest standards of quality are achieved.

In order to guarantee that motorists get the most out of their Kumho tyres, we are delighted to offer an optional 'Accidental Damage Warranty' with every Kumho tyre purchased\*.

Once the tyre purchase has been made and the box below has been stamped by your participating Kumho dealer, you will have peace of mind in knowing that your Kumho tyres will be fully covered against every eventuality.

If any of your Kumho tyres are damaged beyond repair, then the defective tyre will be replaced and you will only be charged for the proportion of the tread that you have already used. (See terms and conditions).

## HOW DO I MAKE A CLAIM?

Should you wish to make a claim, you may do so at any participating Kumho Dealer. Your Kumho Dealer will need to ensure both your warranty and the nature of your claim is valid. Provided that you produce your original sales invoice and stamped warranty leaflet (see page to left), then your Kumho dealer will be able to calculate your entitled percentage allowance.

## HOW IS MY PERCENTAGE ALLOWANCE CALCULATED?

Your Kumho Dealer will measure the remaining legal tread on your tyre. Although tyres are road-legal to 1.6mm, we always recommend replacement at 3mm in order to maintain optimum performance and safety, therefore the first 3.0mm of tread is not counted. The tread will be measured in the centre and on the edges of the tyre to ensure an accurate and consistent reading. If any measurements on the tyre are below 3.0mm, no credit will be given. The decision of the individual participating Kumho Dealer is final. By looking at the table below you can see how the amount of remaining legal tread is converted to a percentage claim allowance. This allowance is then redeemed as a percentage discount against the current selling price of your new replacement Kumho tyre. The terms of this warranty require that the replacement tyre fitted is the same size as the original and is a Kumho. Your old warranty leaflet along with the damaged tyre will be retained by the dealer and a new warranty leaflet will be issued to cover the new tyre.

## WHAT IF I WANT TO CHANGE TO ANOTHER BRAND OF TYRE?

You cannot make a claim under this warranty if you wish to switch to another tyre brand. However, if your Kumho Dealer believes that your tyre may have failed due to a manufacturing fault rather than due to accidental damage, they will be more than happy to send it back to the manufacturer through the official tyre industry adjudication process. Only after the adjudication process has been completed and a manufacturing fault found, will a percentage allowance be made based on the remaining legal tread on the tyre. You can then use this allowance to affect a discount against any replacement tyre brand you choose to purchase. The manufacturer's decision will be final.

## ADDITIONAL TERMS AND CONDITIONS

This warranty offer is at the discretion of the participating Kumho centre and does not form part of any manufacturer offer from Kumho. Please note that not all Kumho centres may participate in this warranty. This warranty is in addition to your statutory rights and only applies to the original purchasing customer, upon presentation of the original invoice as proof of purchase.

1. At the time of a warranty claim, the tyre must still be legal and have a minimum of 3.0mm tread across the full width of the tyre. If a punctured tyre can be safely repaired the guarantee cannot be invoked. This guarantee does not apply to tyres that have been maliciously damaged.
2. The tyre must have been balanced and had a new valve fitted at the time of purchase.
3. This warranty does not cover excessive or uneven wear caused by mechanical defects. We strongly advise that the wheel alignment is checked at the time of purchase and regularly thereafter, as this is the primary cause of excessive or uneven tyre wear. The participating Kumho Dealer's decision is final.
4. This warranty only applies to the Kumho car and van range of products only.

**This warranty does not apply to the Kumho 4x4 range of products.**

5. A list of participating dealers may be obtained by writing to Southam-Micheldever Tyres.
